IBioC

IBioC 2027

Know the answer?

One family, one rare trait.
Can you work out the odds?

PEDIGREE OF A RARE TRAIT — 4 generations · 15 people

Assume one gene, full penetrance and no new mutations.

? What is the chance that the child marked ? is affected?

Example made for this poster, not an actual competition problem.

QUALIFICATION ROUND DEADLINE

Sunday, 1 August 2027

Puzzles like this, and a certificate for every participant.
